Annexure 2

Volume 1: Tenderer Details

1.1 Company Information

Table 1: Company Information

1	Name of Tenderer:
2	The Tenderer is a corporation/partnership/joint venture/individual proprietor. (delete as appropriate)
3	ACN (if a corporation):
4	ABN:
5	Registered Office (if a corporation):
6	Business Address:
7	Street Address of the Contractor for service of notices:
8	Name of Contact Person:
9	Contact Person Telephone Number:
10	Contact Person Email Address:
11	Parent Company (if applicable):

If the Tenderer consists of two or more parties, the Tenderer must provide details of the relationship between the parties, including details of any formal contractual arrangements between the parties. The Tenderer must also provide details of items 3 to 7 and 11 in Table 1 above for each party.

The Tenderer must provide details of any significant actual or potential litigation against the company, its holding company or any subsidiaries. Where the Tenderer is a joint venture, the Tenderer must provide the required details for each participant in the joint venture.

1.2 Financial Capacity

The Tenderer must resubmit their responses from the Pre-Qualification Assessment. The Tenderer is required to provide details of any material changes to their financial capacity, insofar as it impacts their ability to deliver the WUC, since the submission of their Pre-Qualification Assessment. This

includes, but is not limited to, changes to any of the below financial metrics. You must also reconfirm that your Pre-Qualification submission remains valid for the full validity period for the RFT.

Pre-Qualification Wording:

- (a) *Regular and peak monthly cash flows;*
- (b) *Financial forecasts of the Proponent, including underlying assumptions, and commentary as to whether current and forecasted project commitments and financial exposures may have bearing on their ability to fund and / or deliver the package. Ideally forecasts are integrated / 3-way and for a forward-looking period of at least 12 months;*
- (c) *Audited financial statements for the past three years (for the Proponent and those of any proposed parent and/or guarantor entity), and to include detailed balance sheet, profit and loss and cash flow;*
- (d) *Credit rating reports;*
- (e) *Details of any significant actual or potential litigation against the company, it's holding or / and subsidiaries;*
- (f) *An acknowledgement that the Contractor is required to obtain the relevant insurances and cover the relevant liability limits prior to commencement of the WUC;*
- (g) *A confirmatory statement that the Proponent is not the current or prospective subject of an impending merger or acquisition, and that the Proponent, its subsidiaries or Parent are not currently subject to "Safe Harbour" protections;*
- (h) *Overview of current debt or other available financial facilities (including cash), including identification of debt facility term and headroom, and availability of cash reserves; and*
- (i) *Overview of project cash conversion cycle and how project is proposed to be funded by the Proponent.*
- (j) *Where the Proponent consists of more than one participant, or the Proponent's bid is supported by a Parent Company Guarantee or similar, the Proponent must provide the above information for each participant.*

1.3 Insurances

The Tenderer must provide a summary of all insurance policies required by the Contract in Table 2 below:

Table 2: Summary of Insurances

Insurance Type	Insurance Company	Policy No	Extent of Cover		Expiry Date
			Per Incident (\$A)	In Aggregate (\$A)	
<i>[to be completed with list from Contract(s)]</i>					

Without limiting any clauses in the Contract Documents with respect of insurances, the Tender must provide certificates of currency, or, where not available, draft certificates of currency for the following insurance policies required under the WUC; to the extent that your insurance policy is already compliant with the terms of the contract, please include your certificate of currency. For any new insurances please include draft certificates of currency.
